January 14, 2003

California State University Dominguez Hills is honored to host the spring meeting of the Physical Plant Crafts Association on Thursday and Friday, April 3-4, 2003.

We look forward to sharing with you our lovely 346-acre campus, 82 acres which are currently under construction for the Home Depot Sports Training Center.

When completed, this facility will be the official home of The Los Angeles Galaxy Soccer Team, The National Tennis Academy, U.S. Soccer Federation and Training Center for the San Diego Chargers Football Team.

California State University Dominguez Hills is located on the Historic Rancho San Pedro, the oldest Spanish land grant in the Los Angeles area. The 346 acre campus was in the continuous possession of the Dominguez family through seven generations, from it's concession to Juan Jose Dominguez in 1784 to it's acquisition by the people of the state for the university.

The campus is strategically located in the heart of a major technological, industrial and transportation complex. Moreover, it is central in a population that is international and multi-ethnic, and the people of this area are genuinely heterogeneous.

Cultural pluralism is a major characteristic of the University; at the same time there is continuing focus on the Hispanic heritage of California.

Registration is \$40.00 and includes two lunches and continental breakfast, shop and campus tours, vendor show and training presentations. Persons attending should make their air arrangements in and out of LAX airport or Long Beach airport. The Hilton Carson Civic Plaza has a block of rooms reserved for the conference. Please call (310) 830-9200 and ask for in-house hotel reservations. Reservations must be made no later than Monday March 13, 2003. Please mention PPCA when making your reservation.

(Shuttle Services to and from the hotel on both days will be provided.)

If you have any questions or comments about the conference, you may contact our custodial manager Alvin Hall [Ahall@csudh.edu](mailto:Ahall@csudh.edu) or (310) 243-2756 or Mary Granger at [Mgranger@csudh.edu](mailto:Mgranger@csudh.edu) or (310) 243-2513.
